

Commission Regulation (EU) 2017/460 of 16 March 2017 establishing a network code on harmonised transmission tariff structures for gas (hereinafter referred to as „TAR NC“)

Art. 30(1)(b)(vii) of the TAR NC – Information related to the intended use of the auction premium

In line with the Article 30(1)(b)(vii) of the TAR NC the following information should be published:

„the intended use of the auction premium“

As the transmission system operator functions under the price cap regime, in accordance with the Article 19(5) of the TAR NC an auction premium obtained will be used to reduce physical congestion.
